

## *Mission:*

- *Worship*

As we see who *God* is, we should be changed by it and volunteer to serve Him.

- *Witness*

As we present *God* to people, they should be changed by the gospel.

- *Discipleship*

As we teach others about *God*, they should be changed to be more like Him.

- *Fellowship*

As we represent *God* by inconveniencing ourselves for each other, everyone should be changed.
