New Here?

We are so glad you joined us today!

We know that checking out a church is a big step, but we are excited to have you here and want to help you discover what God wants to do in your life.

This morning we will praise God through inspiring music and share a practical and thought-provoking message from God's Word.

Our desire is that you will sense God's presence here today and be able to carry that with you through the coming week.
